## About Us

Our company, Growbaba Universal Private Limited, is a renowned business entity which has been functioning in the electrical industry of the nation for almost a couple of decades. The main aim of our company has always been to grow continuously as a manufacturer & supplier and reach to more customers in the market. We seek to satisfy each client who walks into our store and retain their trust so that they can depend on us for procuring unparalleled quality electrical products. From our ambit of products customers can procure Lithium Coin Cell Battery, CNC and PLC Machine Batteries, Tadiran Lithium Battery, Saft Lithium Battery, Lithium Li-on-Rechargeable Battery, etc. Every customer of our company appreciates the reliability of our products which we are able to promise by assuring quality.

With our immense efforts and dedication to prosper in this industry, we have grown exponentially and are leading the markets. Regular improvements have been highly necessary for our company. Owing to the foretold, we are always able to keep catering to the diverse requirements of the respected customers. We are a technologically driven company, which has maintained a dedicated research & development department. This department is backed by highly experienced professionals who innovate and present us ideas which helps us in enhancing our capabilities and improving products. We are a proud business enterprise which seeks to satisfy the customers with our constantly client oriented services.

We, Growbaba Universal Private Limited, are a well respected business entity which came into formation to serve customers across the nation a wide range of electrical products. We are a company which is based in the capital of India- Delhi, and is promising to serve its vital range of Lithium Ion Battery, Tadiran Lithium Battery, Saft Lithium Battery, Samsung 2600 mAh ICR18650-26J Battery, etc. to our clients spread across the nation. Our enterprise is also highly reputed in the electrical industry for making available a broad selection of electronic components which ends the search of respected customers. We are completely passionate to make available latest technology product to the customers at the most budget friendly prices. Also, we promise that each one of the requested product is delivered on the doorsteps of customers within the stipulated time frame.

## Key Facts

|                                       |  |
|---------------------------------------|--|
| <b>Nature of Business</b>             | Wholesaler   |
| <b>Primary Competitive Advantages</b> | industrial alkaline batteries,nimh rechargeable battery,lithium ion battery,duracell lithium battery,lithium button cell battery,lithium battery |
| <b>No of Staff</b>                    | 10   |
| <b>Year of Establishment</b>          | 2014   |
| <b>No of Production Lines</b>         | 1  |
| <b>OEM Service Provided</b>           | No   |
| <b>Monthly Production Capacity</b>    | Order based  |
| <b>ProductRange</b>                   | industrial alkaline batteries,nimh rechargeable battery,lithium ion battery,duracell lithium battery,lithium button cell battery,lithium battery |

**Our Products**

**CNC And PLC Machine Batteries**

**18650 Lithium-Ion Battery For Led Bulb**

**Tadiran TL5930 3.6volt Size: D Li-SOCL2**

**Tadiran TL5902 3.6volt Size: 1/2AA Li-SOCL2**

**Tadiran TL5903 3.6volt Size: AA Li-SOCL2**

**Tadiran TL5920 3.6volt Size: C Li-SOCL2**

**Maxell CR2032 3volt Lithium Coin Cell**

**Maxell CR1216 3volt Lithium Coin Cell**

**Maxell CR1616 3volt Lithium Coin Cell**

**Maxell LR44 1.5volt Coin Cell Battery**

**Maxell CR2450 3volt Lithium Coin Cell**

**Maxell CR2025 3volt Lithium Coin Cell**

**Sanyo CR17450SER(3V) 3volt Li-MnO2 Battery**

**Samsung ICR18650-26J 3.6volt 2600 MAH**

**Panasonic BR2/3A 3volt Lithium Battery**

**Panasonic BRC 3volt Lithium Battery**
